RISE AND SHINE,  
BERDS! IT'S BUG FAIR  
'CLOCK!"

allying a posse on a  
unday morning is never  
asy, particularly when  
ou're leading them  
ward live scorpions.

a.m. text to my hung-  
rprised to wind up  
atural History Museum's  
g for them to stumble  
usiast, I could have  
eny and still been in

Hiss'n Tell

their parents between  
under glass. Sure, I  
with an \$800 stroller  
much can tarnish the  
idoptera growing in a  
emonstration on how to  
crickets. And just like  
ere even a few booth  
omologist named  
ook radiant while

efully preserved stick  
gh a microscope at  
ed past an aquarium of  
hes and was offered to  
skin. Generally, I would  
only comes once a year.
